

Dear Fellow Union Members,

Recently, at the April 3 monthly meeting, we asked for your support in our endeavor as incumbents to retain our positions as Board of Directors at Southwest LA Credit Union. We are pleased to announce that due, in large part, to your support, all incumbents were re-elected to their board positions at the April 10<sup>th</sup> annual meeting. In our opinion, our credit union represents the clear financial alternative for the working men and women of Southwest Louisiana. When you allow the credit union to serve your financial needs you are directly helping your other fellow members. As we fulfill our three year terms, please know that we will not forget the support provided by our fellow brothers and sisters of lodge 470. In the future, if you have any questions or concerns, please don't hesitate to call one of us or all of us.

Gratefully yours,

Mike Dronet
